IN MEMORIAM

GANO RIDDLES

But as it is written, eye hath not seen, nor ear heard, noither have entered in the heart of man, the things which God hath prepared for them that love him.

I Cor. 2-9

And we know that all things work together for good of them that love God, to them who are called according to his purpose.

Rom. 8-28

We know there is little that we could add to God's own words concerning the events that occur here on earth. However, we will always cherish the memory of one of our classmates with whom we have had our moments of gladness, joy work, play and sadness for twelve years. We ask all others in the Forestburg School and community to join us in this memory also.

SUPERINTENDENT'S MESSAGE

Senior Class and Senior Sponsor

I have been asked many times to write my message for the School Yearbook, but as this is my last, I shall try to say something that might help you to build a strong, useful, honorable life of dedicated service. Study earnestly, think clearly, analyze carefully, and choose wisely. Be honest and dependable. Work industriously and take God as your partner, and success will be yours. It seems ironic that you, the Seniors, and I should leave the "Old High School" we love so well at the same time. This is to wish for each of you much happiness and a good life.

D.E. White, Superintendent

PRINCIPAL'S MESSAGE

Graduating Class of 1964 and Sponsor

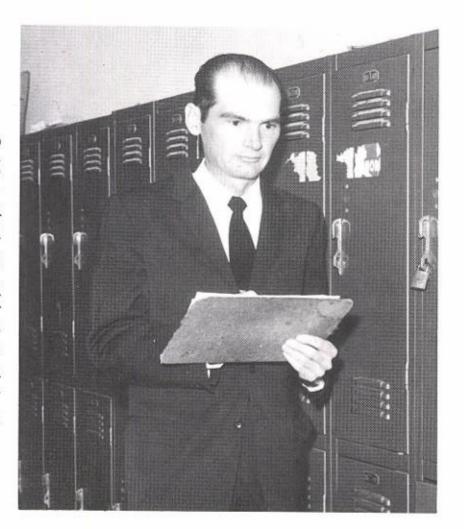

I want to express my personal thanks to you for the hours you have spent in preparing this yearbook. It is well worth the time because it will bring back many memories in later years. It has been indeed a pleasure and a privilege to work with you, the graduating class of 1964, since you were Seventh Graders. As each class graduates from our school, I can remember them from my association with them, by outstanding qualities I find in the group as a whole. This group not only has been outstanding in the academic field but its quality of citizenship could hardly be excelled. I wish each of you luck and success.

Sincerely, Lester W. Boyd, Jr.

CLASS PROPHECY

Last year, Mr. Boyd's science class perfected an amateur radio transmitter, and this year, a time machine. They let the 1964 Longhorn Annual Staff use the machine, so we could see what the class of 1964 would be doing 10 years later in the year of 1974.

The first person we saw was Jerry Barnett. He still has his long hair and sideburns. He has learned how to play the guitar and has taken Elvis's place.

He's making millions.

We saw Danny Williams coming out of the First National Bank of Forestburg and step into his new Cadillac. He had been depositing his oil money.

We didn't recognize Gary Perryman; he had gained so much weight. We

mistook him for one of his dairy cows on his 200 dairy cow farm.

We found Gano Riddles, Sheriff of Montague County, pulling a raid on Johnny Lewis's illegal gambling casino. The raid was unsuccessful, because Johnny's fast talk convinced Gano it was legal.

As we figured, Edelvis Massie married Jimmy Mays. Unfortunately their marriage is on the rocks, because she is stepping out with the Sheriff of Mon-

tague County.

Alice Galmor is married to Bo Shults. They were taking their vacation on

Mars in their new red space ship.

Max Brogdon has inherited the Foster and Brogdon farms and has combined them to form a large quarterhorse ranch.

Steve Long finally became the world's champion bronc rider. He now has

taken Stoney Burke's place in the world of television.

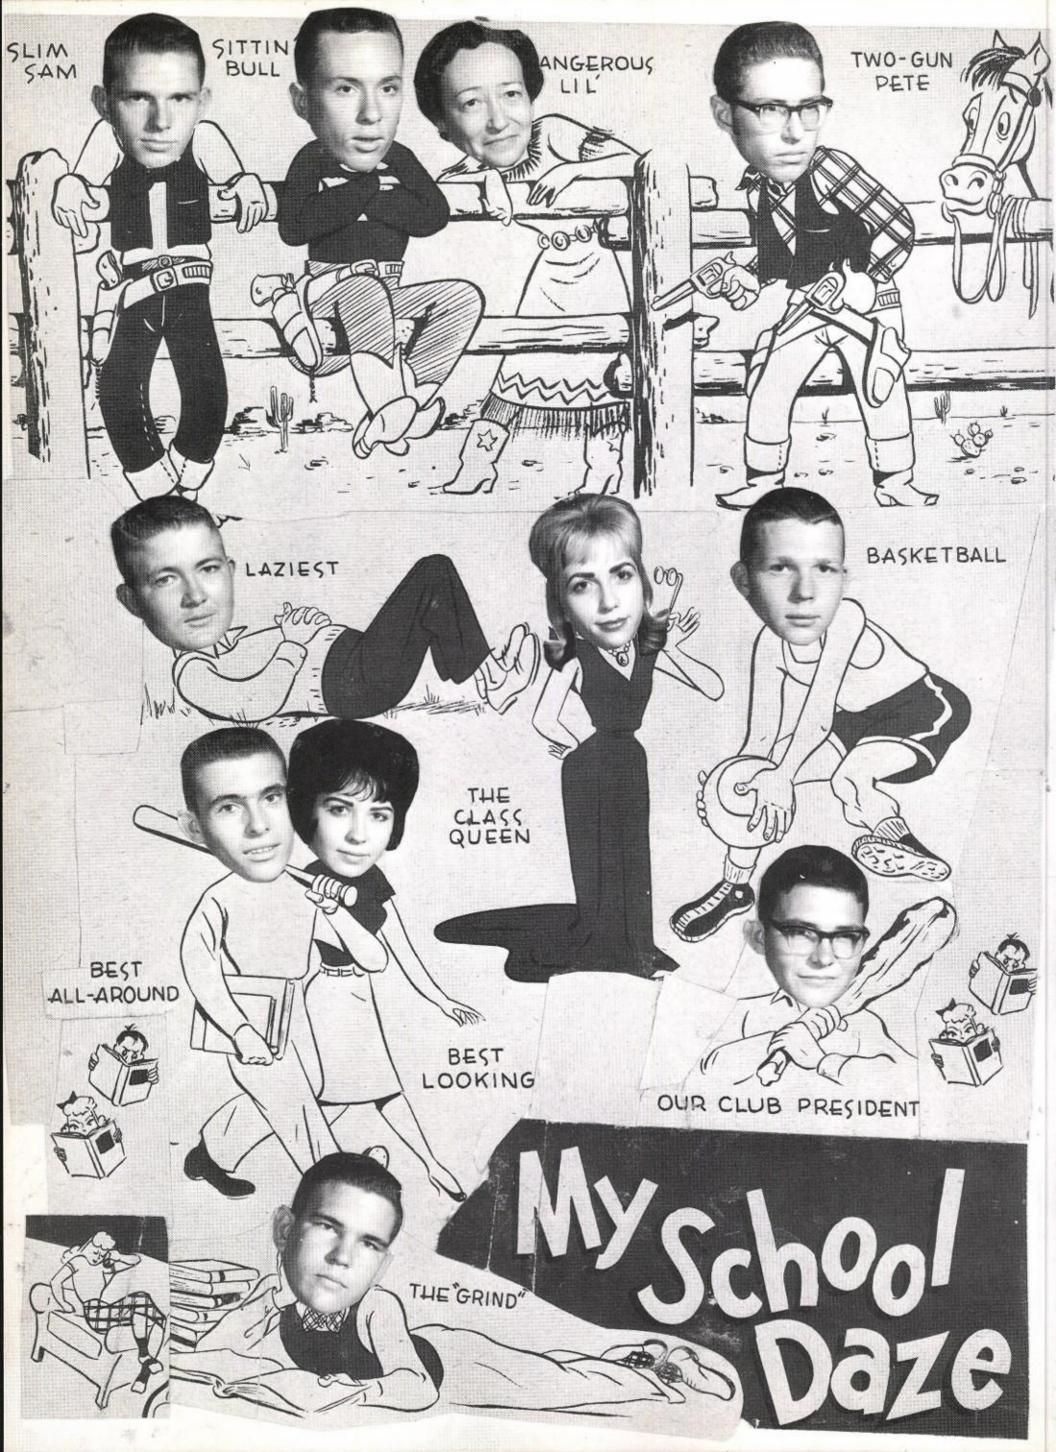

Eldon Huckabay was working for Charles Atlas. He works in the picture department--he's the "Before Man."

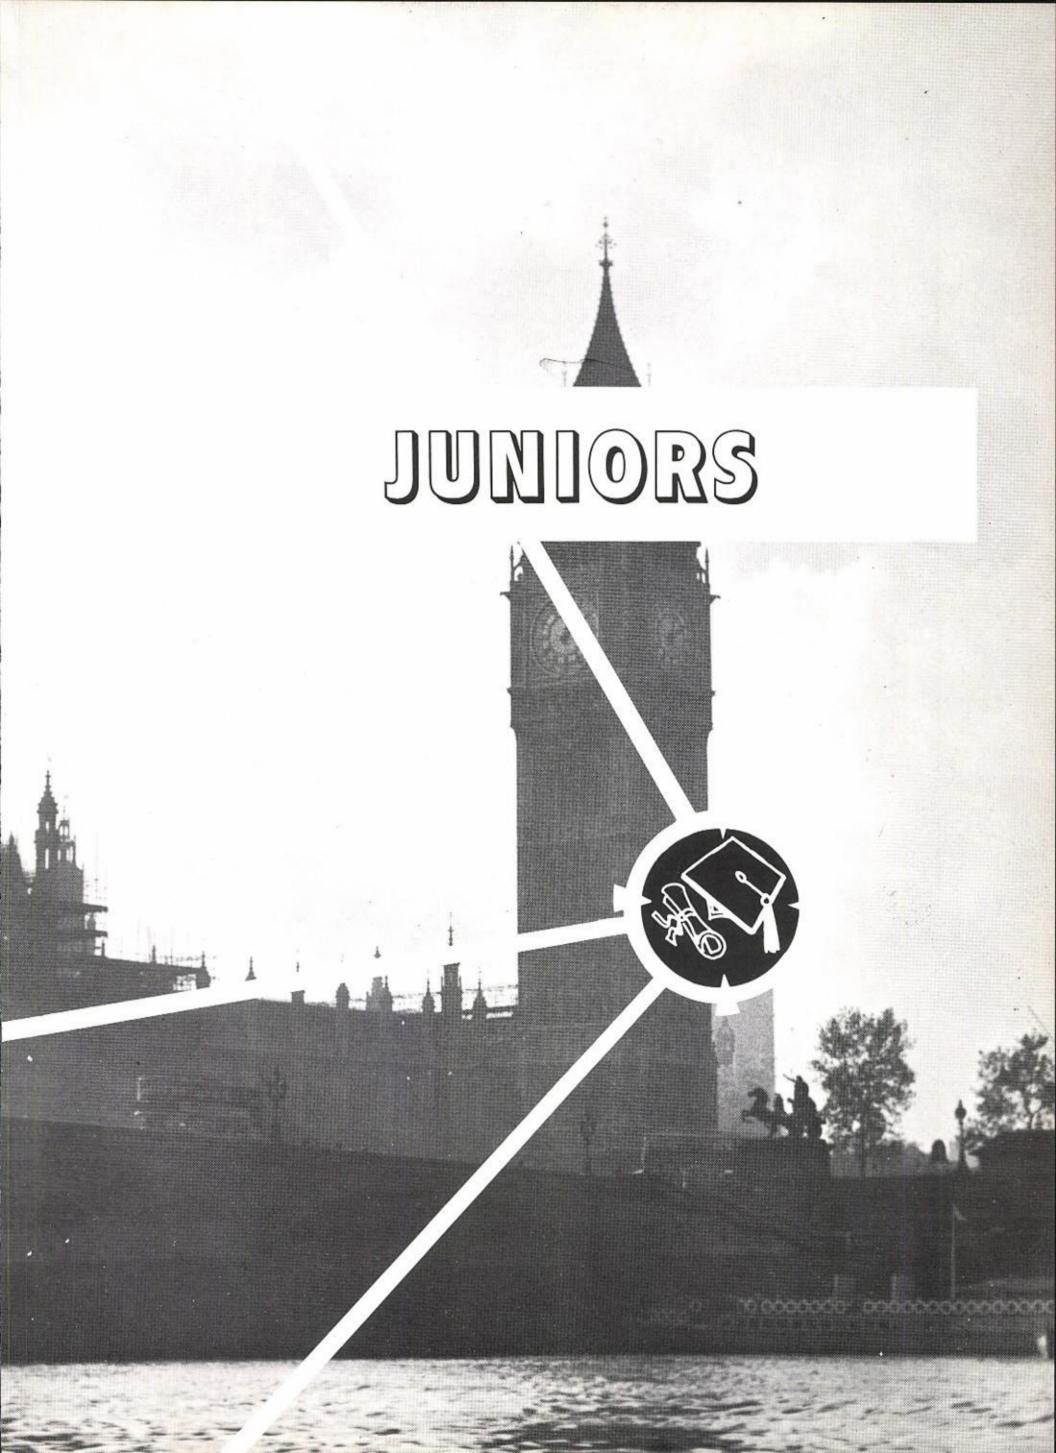

Loyd Bewley is now the president of the Forestburg Hay and Watermelon

Hauling Association. He is operating three diesel trailer trucks.

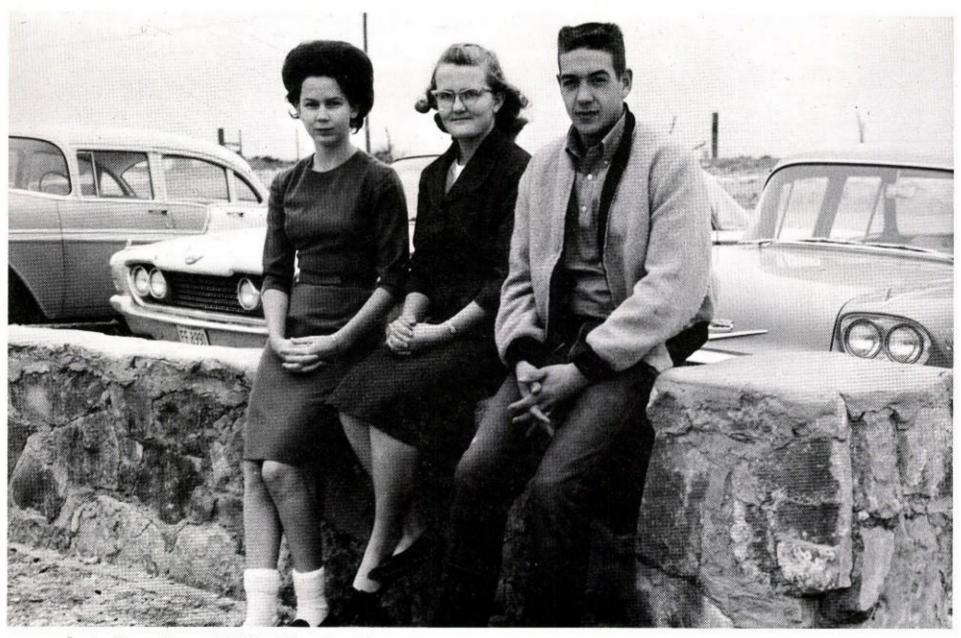

We didn't happen to see Dale Hudspeth; he tried college for a while and was caught out with the Dean's wife. Due to the above circumstances, he is back at Forestburg selling watermelons.
